Into a City &...  
Into a Community?**

# IT TAKES PEOPLE THAT CARE !

It takes someone like Clark Palmer, Charter President of the Novato Rotary Club. Someone willing to take time out of a successful law career to help fill a need in the community.

It takes someone like Novato Rotarian Wayne Womack, the first Mayor of Novato. Someone willing to take time away from a successful retail business to help fulfill a vision for the future.

# ANOTHER VISION FOR THE FUTURE

Our annual Polenta Feed is our major **FUND-RAISER**. It adds to our Endowment, which is a perpetual fund, the income of which supports the projects of the Novato Rotary Club

Food & music add a festive atmosphere for our most important fund raising event. Cash & merchandise for auctioning accepted

Our event includes a silent and live auction of goods and services, much of which is donated by the Greater Novato Community

For the Novato Rotary Club, having fun and raising money for the benefit of our club's projects goes hand-in-hand- lend us yours !

# Service Above Self...

...is more than just a slogan for the members of the Novato Rotary Club. It is a philosophy, a way of life and a tradition of service to the community.

Novato Rotary Club was founded in 1954

Novato became a City in 1960

**Thank you for your past, present and future support. The like minded men and women of the Novato Rotary Club think this community is great place to live and work. We also think that with your help and support we can help it evolve into an even better place for everyone !**
